

How to Navigate

Download the Alumo Benefits App and access your benefits wherever you are. The menu options below will help you navigate the app with ease.

Main Menu

Quickly access all app pages and features from one place.

Dashboard

View your benefit balances, usage, and remaining coverage at a glance.

my Benefits

See your drug, health, and dental coverage, including eligible services and treatments.

Other Benefits

Explore additional coverage, student discounts, and member perks.

Resources

Stay informed with benefits updates, campus news, and upcoming events.

History

Review and download your claims history by benefit type, status, or date.

Explore the Icon Menu

Discover the tools and features available through the app's icon menu.

Contact Us

Email a representative who can help you with claims status, coverage details or balances.

Profile

Update your personal information or your banking details, save your digital Benefit Cards & upload supporting documents.

Announcement

A great source of important events or news informing you what is going to happen at the school.

Notifications

Receive alerts about the status of your claims, low balance warnings or benefit termination dates.
