# An essential service for students

As an eligible student, you're automatically covered by one of the most important services on campus: the GSA Health & Dental Plan. It covers many benefits not provided by provincial health-care programs.

Full-time graduate students registered in the Fall or Winter Term who are GSA members, including international students, are eligible.

Certain exceptions exist. Once you have registered, please check your PAWS account to confirm if you've been charged the Plan fees. Under the Tuition and Fees account statement, you will see "Graduate Health Plan" and "Graduate Dental Plan" reflected during the fall and winter terms in which you are registered.
