An essential service for students

As an eligible student, you're automatically covered by one of the most important services on campus: the SGPS Health & Dental Plan. It covers many benefits not provided by provincial or equivalent health-care programs.

Eligible students include:

- Full-time on-campus graduate, law, undergraduate medicine, and education students who are enrolled at Queen's starting in September or January and who are under the age of 70, as long as they have a provincial health plan or an OHIP-equivalent plan
- MBA students (automatically covered from January to December 2027)

Certain exceptions exist. Please check your student account to confirm if you've been charged the Plan fees.
